The request was publicly advertised, and Mayor Pro Tem Lovette led the discussion, by stating, "we have asked you all not to advertise until we (Elected Body) approve. Mr. Boriou stated he is only familiar with one incident and that was due to miscommunication. The question arose about alcohol being served and having alcohol on the premises. The Elected Body stated there have been several times there were events and alcohol have been served. Mr. Rios stated alcohol is not sold by him, oftentimes citizens (patrons) bring it in with them. The Mayor and Council stated they needed to revisit this item later, because alcohol can pose a liability. To serve alcohol on premises there are State requirements that must be met. They want to compile more research on the topic of alcohol. However, due to a special event that will be held before the Mayor and Council can reconvene they are approving the request temporarily based on the Conditional recommendations of LCPC which are:

Millage Public Hearings. The city will implement a millage for 2026. Mayor Hayes asked the City Clerk to provide an update on the millage. Ms. Moss stated that the city has been in constant communication with Liberty County's Tax Commissioners' Office. Commissioner Sharp and his Team are working on the Tax Digest and they are about 98% complete. She stated the city will have to hold three public hearings to satisfy State Requirements. She anticipates the Tax Digest will be received this week. She stated time is critical because Liberty County must have the information by November 20th, 2025, to approve at their Commissioners Meeting. She has worked on a time calendar for the city to satisfy the requirements. She posed the following:

- Millage Ads will appear in October 23, 2025, Edition of the Coastal Courier.
 - The First Public Hearing will need to be 7 (seven) days after that time frame. The City will hold a Halloween Event on October 30th; therefore, no public hearing will be held.
- Millage Public Hearing # 1 November 3, 2025 @ 6 :00 PM Walthourville Fire Department
 - Millage Public Hearing # 2 November 10, 2025 @ 11 :00 AM Walthourville Fire Department

Councilmember Mitchell Boston

Councilmember Boston stated Public Works have faced challenges over the past year and outsourcing the department will yield improved service to the constituents, it will reduce long term cost, and it will increase the productivity. Mayor Hayes asked, "What will we do during a natural disaster? She added currently we have our own department, and they come in and assist or they stay late." Councilmember Dodd added, "I don't think we should get rid of Public Works, we don't need to make another bill, and we have a situation like we have with Atlantic Waste." Mayor Pro Tem added, "the employees need to be held accountable. Councilmember Boston added he feels the city should at least move forward and obtain proposals if they don't want to act on the proposal. Councilmember Kelly added that she supported proceeding with the RFP. The motion to proceed with the RFP was made by Councilmember Kelly and the second was added by Mayor Pro Tem Lovette.

Vote: 4-1: Motion Passed: Opposed Councilmember Dodd.

IX. Citizens Comments:

Walthourville Citizens

1. Ms. Patience Wright stated she wanted to bring something to the Elected Officials' attention and began by reading the following:

Good evening council members and citizens. I am here to speak about my disappointment with one of the council members that represent our town. On September 24th at approximately 7:25 AM, my sister was involved in a car accident with Councilman Mitchell Boston. But, first, I would like to speak about my sister. She has been a resident of Walthourville for 30 years. She proudly serves as a teacher in the Liberty County School System and was humbly awarded teacher of the year for her school this year after many years of service in our system. That morning, on her way to work to serve her students, Mr. Mitchell Boston wrongfully side swiped my sister with his car. The police were called for assistance where Mr. Boston remained quiet on what truly happened that morning as he was the one obviously at fault. While my sister was being wrongfully given her citation, Mr. Boston then

proceeds to brag to a concerned family member that has stopped by that "I'm glad that it wasn't my classic '64 Cadillac. This car here, I don't really care about" referencing his new dark Hunter Green Tundra Pick Up truck. While the actions of that day cannot be changed, I am here to express my disappointment, disgust, and distrust for a person who supposedly represents me as a citizen of Walthourville. If he cannot be honest and truthful in matters outside of the council room, I certainly do not trust this person to make decisions for the people that he represents. Thank you for your time. Patience Wright.

2. Pastor Goosby stated he was the Pastor of Pleasant Hill Holiness Church. He stated he was here because of the increase in his bill. He came to City Hall and talked to Mr. Patrick Golphin. Mr. Golphin explained that the bill was increased because of the \$150.00 a month Fire Fee the church was being charged. He stated just last year they were paying \$25.00 monthly and now they are being charged this excessive fee. He added his church membership is small, and they are only at the church twice weekly on Sundays for service and Wednesdays for Bible Study. He also added the city could be a better job of informing the citizens of this increase. Councilmember Underwood remembered and reminded everyone that the city mailed letters to all citizens, and the information was placed on the city's website and Facebook page. The Mayor informed him the city would be revising the Fire Fee during their budget workshops.

X. Department Comments

Water Department
Had no report.

Mr. Patrick Golphin

Fire Department
Chief Maxwell gave the departments statistics consisting of 35 Total Calls. 26 medical, 4 vehicle crashes, 1 fire and 2 Miscellaneous Fire Calls. He also urged citizens as the weather gets cooler, please be mindful of space heaters and gas heaters.

Chief Nicolas Maxwell

Police Department
Chief Reed gave the department's statistics and stated the department has answered 241 calls since September 23rd. He added on September 30th a suspicious death occurred in the City and the GBI and Liberty County Sheriff's Department is leading the investigation. He also warned citizens to please lock their car doors and night and to remove all weapons from their vehicles. Neighborhood Watch will be on October 23, 2025, at 6:30 PM and the topic will be Domestic Violence. On October 30, 2025, the City will host a Trunk-a-Treat Event from 6:00 PM-8:00 PM in the parking lot at City Hall. Today, October 14, the Police Department went to Liberty County Pre-K to visit the preschoolers. Councilmember Underwood thanked the Police Department for their patrol of the Bus Stops.

Chief Christopher Reed

XI. Mayor's Update
Mayor Hayes showed the council the booklet from the Planning Workshop that she attended on September 25th and 26th in St. Simons. She reported on November 15th, Keep Liberty Beautiful will be having a Recycle/Shred Event. The Shred Truck will be located at the Midway Complex and citizens can turn in old medications. She reiterated that Early Voting began today and FLOST/TSPLOST is on the ballot.

Mayor Sarah B. Hayes

XII. Elected Officials Comments

Mayor Pro Tem Lovette stated she recommends when someone is speaking that they approach the podium.

Councilmember Mitchell Boston stated the job as a councilmember is to make life better for the citizens. He understands the frustration of the citizens. The Fire Fee is not a punishment; it is intact to assist the Fire Department. He is not here for personal gain, he is here to serve, he takes pride in serving with integrity.

Councilmember Kelly stated within the pass few weeks she has been approached by many citizens about the city. Therefore, to answer their questions, she is having a sit down on Friday October 17th from 6:00 PM-7:30 PM at the Liberty County College and Career Academy to address and answer questions. She also spoke with Jame Moore, LLC and they stated they should have the audits completed by end of year. The invoices for payment will be sent after the year is finished. Mayor Hayes informed her she would not be able to attend the Friday meeting due to just finding out about the meeting, she has a family commitment.

Councilmember Patrik Underwood stated we (city) need to draft an ordinance for dogs. A dog messed up a lady's fence. Attorney Moses stated this is a private matter and he feels the city does not need an ordinance and that the city should not get involved, the citizen should contact Magistrate Court for a resolution.

Councilmember Dodd had no comments.

XIII. Executive Session: At 7:54 PM a motion to enter Executive Session for personnel was made by Councilmember Kelly and the second was added by Councilmember Boston.

Vote: 5-0: Motion Passed Unanimously.
