The City Clerk and Attorney Moses presented the 2025-2026 GIRMA (Georgia Interlock Risk Management Agency) Property and Liability Insurance Renewal. Ms. Moss stated the GIRMA Renewal Annual Premium was \$128, 597.00. Due to the city selling 5 vehicles on GovDeals, this reduced the city's fleet. Attorney Moses stated GIRMA is the "Gold Standard," in Municipal Coverage and the city has an advantage because GIRMA is willing to provide coverage. There are some cities that GIRMA will not insure. The Elected Officials questioned the number of vehicles listed as 19 on the Member Contribution Breakdown and also Crime of \$ 23.30 per employee. The council did not want to take any action until GIRMA could be reached again. Ms. Moss stated she would reach out to GIRMA and would update the Mayor and Council. She added the current 2024-2025 insurance would expire on April 30th, at midnight. She proposed adding this item to the already scheduled RFP Bid Opening meeting on April 29th at 6:00 PM as a Special Called Meeting.

5. City of Walthourville

Mayor and Council

Mayor Hayes stated “the city has been in communication with the Tax Assessor’s Office about a rollback rate for the proposed 2026 Millage Collection. She said during Budget Meetings the CPA Firm of CKH had recommended 12 mills. She added that it is time to have the information to the Tax Assessor’s for input on the notices that will be sent to citizens. She further added that CKH was working on reconciling the first quarter to ensure they had accurate workable numbers”.

Councilmember Underwood added the Fire Fee was included in the 12 mills recommended by the CPA. He added that the city would have to eliminate the Fire Fee when/if the millage is implemented. Councilmember Boston stated his concern is, “we can’t have a millage and a fire fee, and he reiterated again that the city is overspending.” Councilmember Dodd stated, “the city will need to build a cushion in revenue with the millage, but it won’t happen instantly, and he thought that is why the CKH recommended 12 mills.” Also, he added we must make some cuts in the Fire and Police Department. The Council stated they would be better informed if they waited on the recommendation of CKH, allowing them time to reconcile the city’s first quarter. The motion to take no action and to place this item on the agenda for the April 29th Bid Opening and Special Called Meeting was made by Councilmember Kelly and the second was added by Mayor Pro Tem Lovette.

Vote: 5-0: Motion Passed Unanimously.

XI. Mayor's Update

Mayor Sarah B. Hayes

Reported she would be communicating with CKH about the estimated roll back number. She also stated on April 26th, 2025, there would be a Tri-City Cleanup consisting of the cities of Allenhurst, Flemington, and Walthourville. This event will be held at Johnnie Frasier Park from 9:00 AM-2:00 PM. April is Autism Awareness, and the event will be an Autism Family Friendly Event. Also, T-SPLOST will be back on the ballot in November.

XII. Elected Official's Comments

Mayor Pro Tem Lovette stated she wanted to commend Councilmember Underwood on a successful Easter Egg Hunt. The children and the community had fun.

Councilmember Boston stated we need to look at expenditures. He agrees with Mr. Nobles. Every department must be reviewed to see what expenditures can be eliminated. He would like the city to solicit the services of Davenport and Associates, they are an Internal Financial Auditing Firm, and they review and look at ways that are most cost effective for municipalities. They have a proved track record, and he would like for the city to retain their services. He is opposed to a millage that is equal or exceeds Hinesville or Savannah. He will contact Davenport and Associates and bring the information back to the Elected Body. He also would like to set up a date for a workshop to develop policies for the city. Councilmember Underwood stated he would like to see policies for Vehicle Accidents, all Department Heads should attend the first meeting of the month, and all requested financial reports within 48 hours. The Elected Officials decided upon May 13, 2025, at 4:00 PM for the workshop.

Councilmember Underwood, Thanked everyone for the assistance with the Easter Egg Hunt event. He said 3000 eggs were hidden and every one of them was found. He added that a GMA Associate attended a meeting on April 15th, and basically, he felt she tired to silence the council. He read a letter and said he was elected, and he would continue to speak and talk.

Councilmember Kelly stated Mrs. Pam Helton from GMA came to a meeting on April 15th and she lacked proper decorum. She read a statement where she said a meeting was needed but Mrs. Helton was confrontational, not collaborative. Attorney Moses stated he spoke with a representative at GMA and was advised that GMA was not happy with Mrs. Helton.

Councilmember Dodd stated we are 40 days away from Hurricane Season and now is the time to prepare for Hurricanes. He will do a briefing in Walthourville.

- III. Audit RFP#2025-01 Bid Opening Councilmember Bridgette Kelly
She stated the City had generated an RFP for Auditor Services. The bid dates were open from April 3rd-April 25th. The bid was advertised twice in the Coastal Courier on April 3rd and April 17th, and it was also on the city's website and Facebook page.

She reported the sole bid the city received was from James Moore and Company from Gainesville, Florida. Councilmember Kelly opened the sealed bid in the public setting. The firm sent 10 individual packets to the city, all members of the Elected Body, City Attorney, City Clerk and Finance Manager were given copies. Councilmember Kelly referenced page 24 of the packet where the price breakdown was listed. The city is in need of having audits conducted from December 2021, December 2022, December 2023 and December 2024.

The cost for the audits are:

• December 31, 2021	\$25,000
• December 31, 2022	\$26,000
• December 31, 2023	\$27,000
• December 31, 2024	\$28,000

Councilmember Kelly stated with the city only receiving one bid and with the bid being very costly what were the options? She stated she spoke to a firm in Jesup, they had submitted a proposal, prior to the bid being posted. Attorney Moses stated he felt the city could reach out to a previous contender and the city could consider this firm.

Councilmember Kelly stated she would contact the company to see if they were still interested and she would update the Elected Officials.

- IV. 2025-2026 GIRMA Renewal City of Walthourville
The City Clerk stated she had worked with GIRMA to address the issues the body had at the April 22, 2025 Regular Meeting. The vehicles were updated and GIRMA had to remove some vehicles from their roster. They inquired about the Crime Listed on the Member Breakdown of \$23.80 per employee. Mrs. Murray with GIRMA answered saying, "Crime coverage is a blanket sublimit of \$500k for employee theft or dishonesty. It is part of the GIRMA package policy and we cannot exclude just that line of coverage."
- The Annual Premium for the City of Walthourville will be \$99,035.00 for the period of May 1, 2025-April 30, 2026. The motion to approve the GIRMA Annual Renewal was made by Councilmember Dodd and the second was added by Councilmember Kelly.
Vote: 3-2: Motion Passed.
- The premium will be paid using Option 3, 25% down-with the balance due in 4 monthly installment.
Councilmembers voting favorably were: Patrick Underwood, Bridgette Kelly and Robert Dodd.

City of Walthourville
Mayor and Council Special Called TEAMS Meeting Minutes for 05-02-2025
11:00 AM

Meeting ID: 233 941 957 651 8 Passcode: ix2PU6tx

- I. Call to Order: Mayor Sarah B. Hayes
The meeting was called to order at 11:06 AM (due to a non-quorum at 11:00 AM) AM by Mayor Sarah B. Hayes. In addition to Mayor Hayes the following members of Council was present and acknowledged themselves:

Councilmember Mitchell Boston
Councilmember Bridgette Kelly

Councilmember Patrick Underwood
Councilmember Robert Dodd

The attendance of the council constituted a quorum.

Mayor Pro Tem Luciria L. Lovette was present on the call, but she did not acknowledge herself as being present.

Attorney Luke R. Moses was present.

- II. Estimated Rollback/Millage Mayor and Council

Mayor Hayes stated, "we are here to decide how much we need for a millage rate. She stated the estimated rollback can change, but it is needed to allow the Tax Assessor to provide constructive notice to homeowners that the city will be initiating a millage.

Councilmember Underwood stated he did not want the millage to be over ten. He added that cuts still needed to be made in the Fire and Police Department.

Councilmember Dodd added he is in favor of a millage rate. However, "if we don't make a change, in the budget, a millage rate is not going to help."

Councilmember Kelly stated she is in agreement for a millage, but "there must be cutbacks in all departments."

Councilmember Boston stated he would prefer to set the millage at eight. He has also spoken to Mr. Payne and Mr. Payne stated setting it higher and then lowering it would not result in additional implications. If it is set lower, then increased higher additional notices would have to be distributed to the citizens.

Mayor Hayes requested City Clerk Moss update the Elected Body on the meeting she had with Chief Tax Appraiser Mr. Payne on May 1, 2025. Ms. Moss stated the numbers that she was about to give was an estimate only, nothing definitive or substantial, so please do not hold Mr. Payne accountable for the numbers, he was working with raw data. From estimation only if the City of Walthourville imposed the following mills the projected revenue could be:

3 Mills	\$201,885.00
6 Mills	\$403,770.00
8 Mills	\$538,360.00
12 Mills	\$807,540.00

Mayor Hayes stated she would prefer to set the rollback at the rate advised by the CPA. The rate could Always be decreased. Attorney Moses advised that it is safest to set it high then work backwards to decrease it. Mayor Hayes further added that, “time is of the essence, the information had to be submitted to Mr. Payne’s office by close of business, today. She asked all members of the body, what is their preference for a rollback?

Mayor Hayes stated she proposed 12.

Councilmember Underwood proposed 12.

Councilmember Kelly proposed 12 with the intention that they work with the CPA to decrease and amend the budget for this year (2025).

Councilmember Dodd proposed 12 and said, “if we don’t make cuts in the department, please let it be known that when we have the meetings to set the millage, I will not support.

Councilmember Boston, proposed 12 and sated, “I am not voting for the millage if we don’t make cuts in some department.”

The motion to set the City of Walthourville’s estimated rollback at 12 with the intention to make cuts for the current 2025 and upcoming 2026 Budgets were made by Councilmember Kelly and the second was added by Councilmember Dodd who reiterated again his stance on the millage if cuts are not made.

Vote: 4-0: Motion Carried Unanimously.

- III. Adjournment: At 11:40 AM the motion to adjourn was made by Councilmember Kelly and the second was added by Councilmember Dodd. Vote: 4-0: Motion Carried Unanimously.

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
