Payment requests shall be submitted quarterly and shall be accompanied by an invoice and a copy of reports indicative of all calls answered in the response area.

5. Representations of Service Provider. In order to induce the County to enter into this Agreement and provide the funds described herein, the City represents and warrants to the County as follows:

(a) Organization and Power. The City is a municipal corporation duly organized, validly existing, and in good standing under and by virtue of the laws of the State of Georgia, and has all requisite power and authority to own its asset, to transact the business in which it is now engaged or proposed to be engaged, and to enter into and perform its obligations under this Agreement.

(b) Authority. The city has the power to make, deliver and perform this Agreement, and has taken all necessary action to authorize the execution, delivery and performance of this Agreement. This Agreement constitutes the valid obligations of the City, legally binding upon it and enforceable in accordance with its terms. No further consent or approval of any other party is required in connection with the execution, delivery, performance, validity and enforcement of *this* Agreement.

(c) No Material Litigation. There is no action, suit or proceeding pending or threatened against or affecting the City before any court, arbitral body, governmental department, commission, board or other federal, state, county, or municipal instrumentality, agency or authority which might, in any one case or in the aggregate, materially or adversely affect the ability of the City to fully and satisfactorily discharge its obligations under this Agreement.

(d) No Conflicting Agreements. The execution, delivery and performance of this Agreement will not violate any agreement, contract, undertaking, instrument, or other agreement to which the County is party or which purports to be binding upon the City. The City is not in default in any material respect in the performance, observance, or fulfillment of any of the obligations, covenants, or conditions contained in any agreement, contract, instrument, or other document to which it is a party. Furthermore, the execution, delivery and performance of this Agreement does not violate the provisions of the City's Articles of Incorporation, Bylaws, Partnership Agreement, Articles of Organization, Operating Agreement, or other similar corporate document(s) (as the case may be).

(e) Information. All representations, warranties and other information heretofore or hereafter furnished by the City to the County is or will be true and correct as of the date such information was furnished.

6. No Liability of City; Indemnity.

(a) *No Liability of County.* The Service Provider will be entirely and solely responsible and liable for all acts and omissions of the Service Provider and its agents, employees and contractors while engaged in the performance of the Services contracted for hereunder, and the City shall in no event be liable for any injury or damage to person or property resulting from any such Services.

(b) *Indemnification.* The provisions of this Agreement notwithstanding, and in addition to any other indemnities in favor of the County specifically provided for herein, the City agrees to fully protect, defend, indemnify and save the County and its officials, representatives, agents, and employees harmless against and from any and all liabilities, claims, suits, proceedings, damages, demands, penalties, judgments, costs and expenses (including but not limited to litigation expenses and reasonable attorneys' fees) of every kind and nature, arising out of any negligent act or omission of City or its agents, employees, representatives, or contractors; provided that if a court of competent jurisdiction determines that any of the provisions of this paragraph violate O.C.G.A. Section 13-8-2 and are applicable to this Agreement, the indemnity contained in this Agreement shall not extend to any indemnification which is prohibited by O.C.G.A. Section 13-8-2, but the remainder of this indemnification shall be unaffected.

7. Insurance and Other Bonds. At all times during the term of this Agreement, the City shall, at its sole cost and expense, maintain in effect the following bonds and policies of insurance in form, substance, insurer, and amount (where not expressly stated herein) reasonably satisfactory to the County: (i) general comprehensive liability insurance in amounts of not less than one million (\$1,000,000.00) dollars per occurrence; (ii) worker's compensation insurance as required by law; (iii) motor vehicle liability and property damage insurance if not provided by the policies referenced in subpart (i) hereinabove. The City will promptly pay or cause to be paid the premiums on all such insurance on or before the due date thereof, and the City shall provide to the County evidence of such bonds and policies of insurance with paid receipts or such other proof of payment as may reasonably be required. The fact that the City is either required to furnish and maintain liability insurance or that the City shall furnish and maintain the liability insurance as provided in this paragraph does not relieve the City of its obligation to indemnify and save the County harmless from and against those claims and damages set forth in Paragraph 8 hereof.

8. Non-Transferability. This is a personal agreement between the parties hereto, and the City's rights and/or obligations under this Agreement may not be sold, transferred, assigned, pledged, or hypothecated in any manner without the prior written approval of the County.

9. Severability of Provisions. If any provision of this Agreement or the application of any such provision to any person or circumstance is held unenforceable or invalid for any reason, then provided that the essential consideration for entering into this Agreement on the part of any party is not unreasonably impaired, such provision or portion thereof shall be modified or deleted in such manner as to render this Agreement legal and enforceable to the fullest extent permitted under applicable law.

10. Modification. Any modification, amendment or other change to this Agreement, or additional obligation assumed, by either party in connection therewith shall be binding only if evidenced in writing signed by each party or an authorized representative of each party.

11. Waiver. No failure by the County to insist upon the strict performance of any term or condition of this Agreement or to exercise any right or remedy available to it will constitute a waiver. No breach or default of any provision of this Agreement will be waived, altered or modified, and the County may not waive any of its rights, except by a written instrument executed by the County. No waiver of any breach or default will affect or alter any term or condition of this Agreement, and such term or condition will continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

12. Entire Agreement. This Agreement constitutes the entire agreement of the parties with respect to the subject matters addressed herein, and supersedes any and all prior or contemporaneous agreements, discussions, representations, or understandings between them, whether written or oral, with respect to said subject matters. The City further acknowledges that no promises, representations, inducements, agreements, or warranties, other than those set forth herein, have been made to induce the execution of this Agreement by the City, and the City acknowledges that it has not executed this Agreement in reliance on any promise, representation, inducement, or warranty not contained herein.

13. Neutral Construction. The parties hereto acknowledge that this Agreement was jointly negotiated and reviewed by them, and therefore no provision of this Agreement shall be construed against either party by any Court or other judicial or arbitral body by reason of such party's being deemed to have drafted or structured such provision.

14. Governing Law: Venue. THIS AGREEMENT HAS BEEN EXECUTED IN THE STATE OF GEORGIA AND SHALL BE GOVERNED BY AND CONSTRUED IN ALL RESPECTS IN ACCORDANCE WITH THE LAW OF THE STATE OF GEORGIA. THE COUNTY AGREES THAT ANY ACTION RELATING TO, OR ARISING OUT OF, THIS AGREEMENT OR THE SERVICES PROVIDED HEREUNDER SHALL BE INSTITUTED AND PROSECUTED IN THE COURTS OF THE COUNTY OF LIBERTY, STATE OF GEORGIA, AND THE COUNTY AGREES TO SUBMIT, AND DOES HEREBY SUBMIT, TO THE PERSONAL AND EXCLUSIVE JURISDICTION AND VENUE OF THE SAID COURTS OF THE COUNTY OF LIBERTY, STATE OF GEORGIA.

15. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall serve as an original for all purposes, but all copies shall constitute but one and the same Agreement, binding on all parties hereto, whether or not each counterpart is executed by all parties hereto, so long as each party hereto has executed one or more counterparts hereof.

16. Survival of Representations. All terms, conditions, covenants, representations, and warranties contained in this Agreement in favor of the County, or any certificate or other writing delivered pursuant hereto or in connection herewith shall survive indefinitely (or for any lesser period stated herein) any investigation made by the County and the expiration of this Agreement.
