## IX. Council Comments

Councilmembers

### Fire Department

Councilman Charlie L. Anderson, Sr.

Chief Gary Fairchild gave the report. He stated the Fire Department is functioning well. However, the department is hurting in manpower. He stated he wanted to address the Mayor and Council of a dire situation. He stated since January of 2021 the department (firefighters) have donated 9800 hours to the department so that the city will have fire coverage. The department does not have firefighters on duty and night and when calls come in (fire or medical) there is no one to answer the calls. He added that the citizens of this community deserve better. He further added that on August 10<sup>th</sup>, one of his Captains had to seek employment somewhere else, because there are not enough hours to sustain his family and him. He added a medical call came into the city and Walthourville was not available, the call reverted to Liberty County. Liberty County is preparing to charge the city for having to answer the call if it continues. Mayor Pro Tem Hayes and Councilwoman Kelly, asked about the city's IGA with Liberty County. Chief Fairchild stated the IGA is in intact; however, the IGA does not allow for general calls, the IGA is in place in the case of an emergency in the city.

Chief Fairchild added that he is certain every elected official wants optimal fire service, and he has presented a funding plan to each of them. Attorney Moses stated that everyone involved wants to see the Fire Department progress; however, he thinks there should be a meeting with the Fire Chief, City Attorney, City Clerk and CPA, Mr. Matthew Caines before a decision is made. Mayor Pro Tem Hayes stated she thought this would be a topic for the next budget year. Councilwoman Lovette asked, "What is the estimated dollar amount needed for the department to operate? Attorney Moses stated, he would prefer to have a discussion with the Chief before any figures were discussed.

### Economic Development

Mayor Pro Tem Sarah B. Hayes

Reported the cities recycle fair went well. The shred truck was located at City Hall and citizens came from Savannah to take advantage of the truck. She thanked the volunteers from City Hall, Public Works and the Water Department who came out to help. She added that her free adult computer classes will begin on September 13<sup>th</sup>, 2022. The classes will begin at noon and will conclude at 2:00 PM.

### Public Works

Councilman James Hendry

Reported he has been out sick but is feeling better and will have a report for the next meeting. Mayor Pro Tem Hayes stated she's glad that he is feeling better. Councilwoman Lovette added, citizens are saying the knuckle boom is digging holes in the yard when they are collecting the waste. Councilman Hendry stated he would talk to Mr. Martin.

### Water Department

Councilwoman Bridgette Kelly

Reported the city has only received one smelly water call. A start date for the aerator project has not been established yet. The city is awaiting the bond from the contractor, upon receiving the bond a meeting will be held with the contractor for a start date.

### Parks and Recreation

Councilwoman Luciria L. Lovette

Stated she is still soliciting funds for the park. The equipment needs to be upgraded because it could be outdated due to the rules and regulations of the National Park Standards.

Police Department

Mayor Larry D. Baker

Chief Alfonza (Al) Hagan gave the report. He stated he is always proud to serve. He Thanked Captain Reed for his leadership, he was on vacation and the department continued to operate. The officers are patrolling the subdivisions. The department is doing well, the officers are visible and they are monitoring the traffic since school is back in session.
